*** TERMS & CONDITIONS ***

Please read carefully BEFORE you sign

*** YOU MUST ENSURE PEDESTRIAN SAFETY DURING THIS CLOSURE ***

- The work area does not occupy more than one half the width of the sidewalk abutting the premise or leave less than 4.9 ft./1.5 m. of clear unobstructed sidewalk for pedestrian use. If this condition is not met, the sidewalk **must be closed and barricaded** and pedestrians redirected to the nearest crosswalk.
- It will be your responsibility to properly barricade the area and provide signage. Signage must be posted at corners to advise pedestrians of the sidewalk closure. Procurement or rental of the required barricades/cones/signage is the responsibility of the permit holder.
- Hoarding may be required to ensure public safety.
- It will be your responsibility to ensure that you meet the standards acceptable to WorkSafeBC - www.worksafebc.com
- For hoses crossing the sidewalk, scaffolding should be placed in accordance with standard safety practices allowing hoses to pass over the sidewalk. You are responsible for ensuring pedestrian safety during installation and removal of scaffolding.
