Public Washroom Schedule Changes

Good Neighbour Amendment Bylaw No. 2019-20

Council adopted “Good Neighbour Amendment Bylaw No. 2019-20”, a bylaw that introduces a broader definition of the word “street” to include spaces between storefronts and sidewalks and, for the word “obstruction”, include “sit or lie on a street” located between 100-300 Ellis Street, 200-400 Martin Street, and 100- 700 block of Main Street, between May 1 and September 30.

Notice of Motion

Council directed staff to review the Development Cost Charges for Public Open Spaces in comparison to similar sized municipalities in the Okanagan and also review the cost of living increases that might be applied to all classifications within the Development Cost Charges Bylaw. An amendment bylaw is to be provided for Council’s consideration within one year.
