INTRODUCTION TO FINANCIAL PLAN

Each year the City follows a multi step process to develop the Five Year Financial Plan that involves evaluating Council Priorities along with community feedback and department needs. The 2022-2026 Financial Plan reflects how we are advancing the 2020-2022 Council Priorities, investing in community safety and funding capital projects that address the City's key assets and amenities.

The City has a well-established financial plan process that focuses on strong financial management, sustainability and transparency to the public. The City strives to be resourceful and innovative to meet community needs while maintaining or enhancing service levels.

This Plan incorporates the initiatives that can be found in the 2022 Corporate Business Plan; to view this document, please visit our website at www.penticton.ca/financialplan.

The following provides a brief overview of the contents of each major section of this document.

Overview

This section presents the demographics of Penticton residents, details about services received, a summary of the budget process, and an at a glance summary of this year's financial plan.

Consolidated Summary

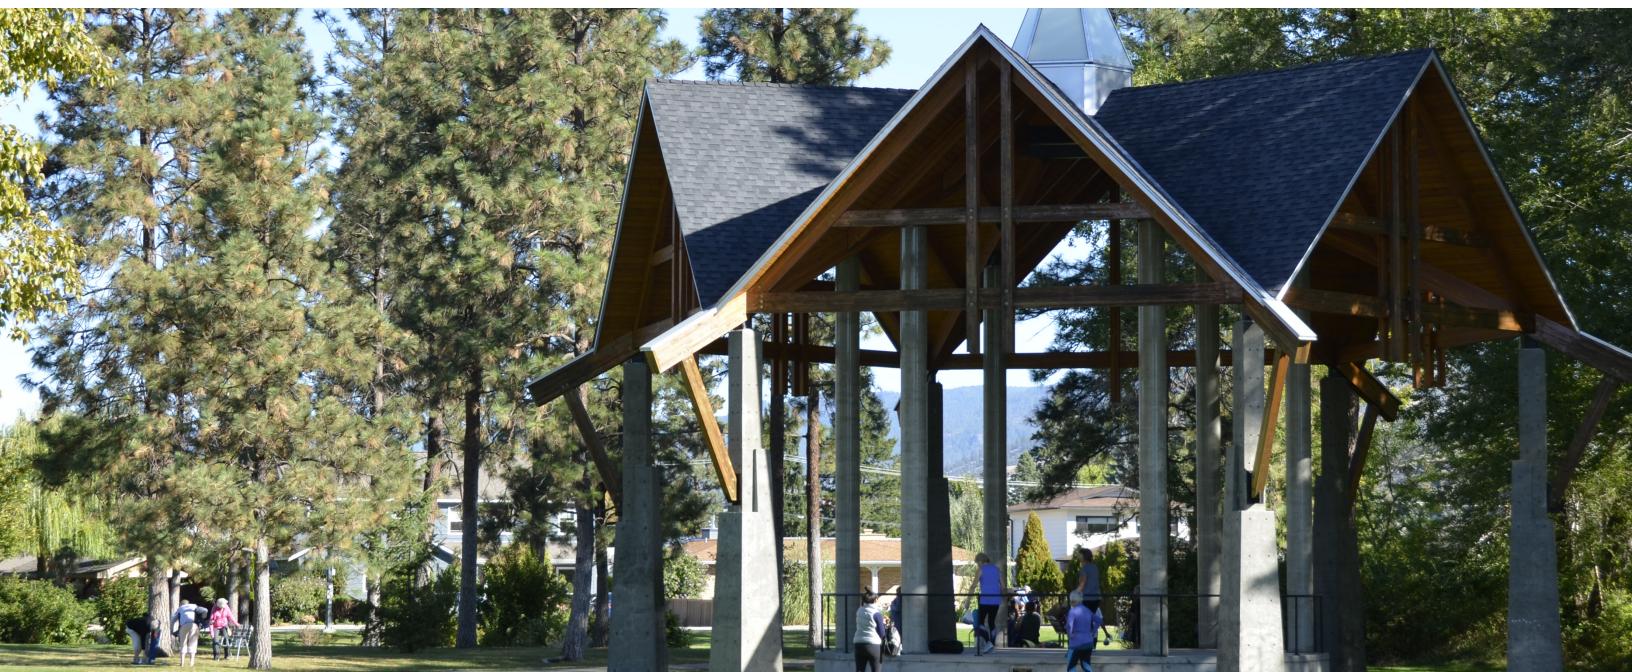

This schedule contains the consolidated Five Year Financial Plan that is mandated by the Community Charter to be adopted annually by Bylaw before May 15th of the following year. The Plan contains current year operating and capital costs along with future operating revenues, costs and capital improvements.

Operating Budgets:

Detailed schedules for each operating fund include breakdowns by financial segment and then by cost centre providing a comprehensive look at the City's operating budget for the upcoming five years. Each schedule shows revenues and expenses by category including metrics and key variances.

Capital Budgets:

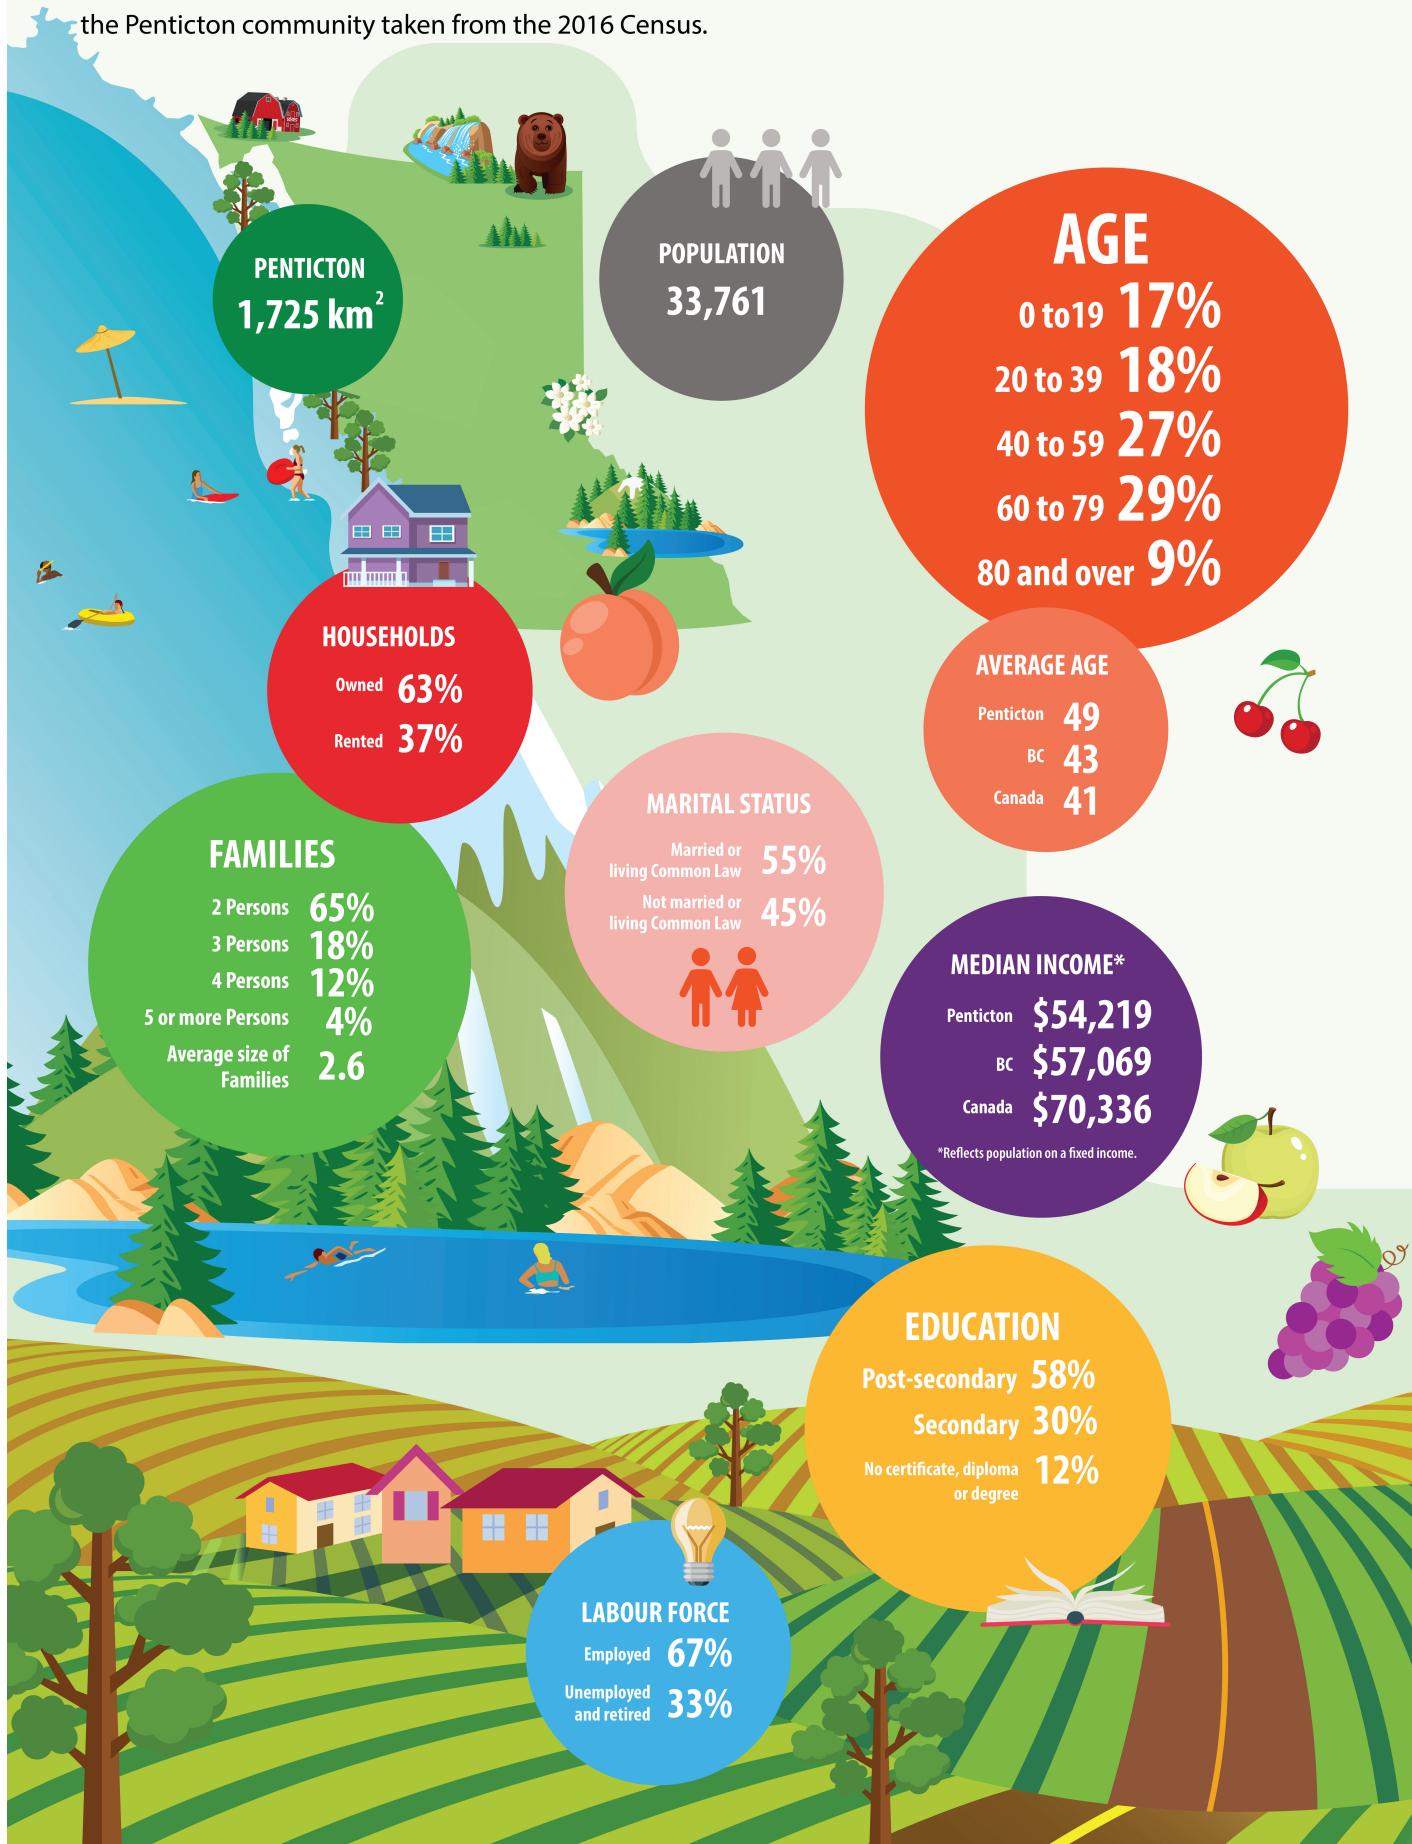

Appendix A includes the City's Five Year Capital Plan which starts with a summary of capital spend by fund. Following this are detailed schedules for each area listing the planned capital projects as well as information on how the capital spend will be funded. Also included in each schedule are unfunded projects that have been identified, but a funding source has not yet been determined.

PENTICTON-AT-A-GLANCE

Our demographics shape the needs of the community and guide our policies and plans. The following is a selection of interesting statistics about the demographics of the Penticton community taken from the 2016 Census.

BUDGET BASICS

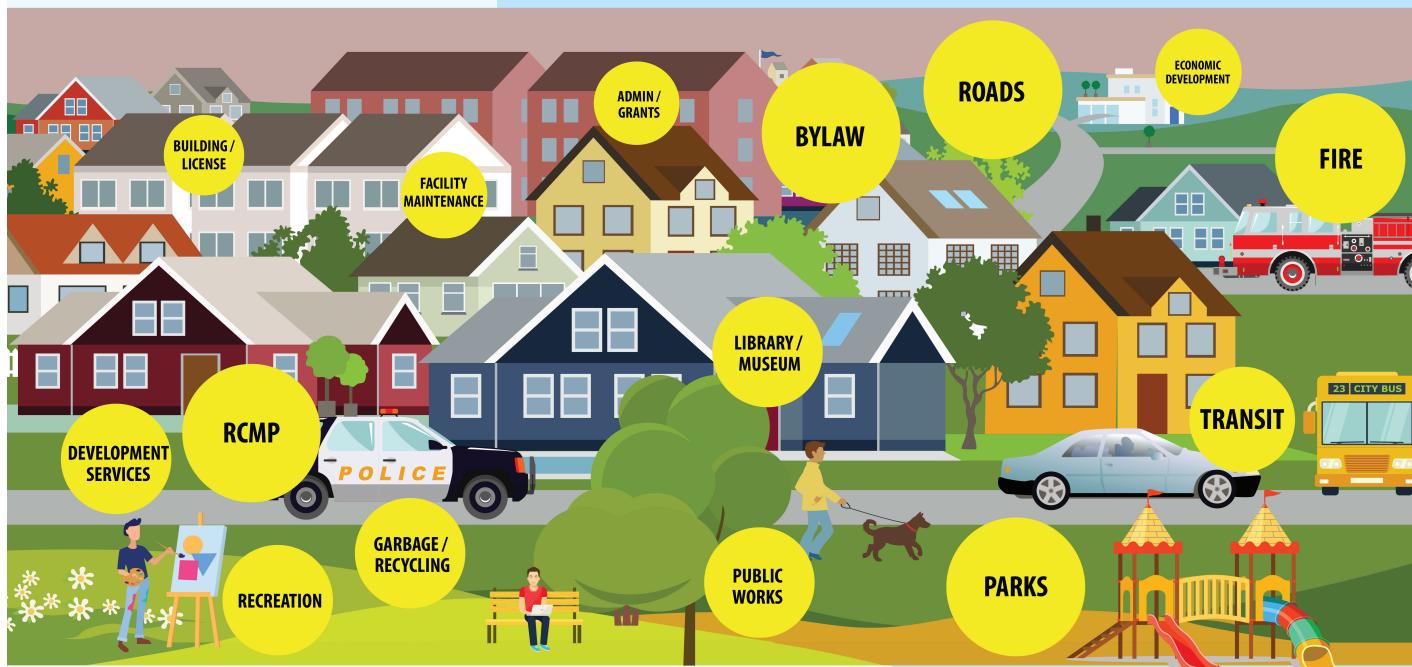

Each year, the **City** updates its Financial Plan and goes through a **budget** process to determine how much it will need to spend on an annual basis to:

- Maintain current levels of service (base operating **budget**)
- Incorporate service level enhancements or reductions
- Incorporate new operating initiatives
- Fund capital projects

Services you receive

In addition to services provided by the four utilities, residents also receive the following services through the **General Fund**.

Sources of Funding

The City receives funding for these services and capital projects from the following sources:

- Taxation
- Provincial / Federal Grants
- Utility User Fees
- Electrical Dividend
- Sale of Service
- Donations / Other
- Development Cost Charges
- Investment Income

Parts of the plan

There are five parts to the Financial Plan and each part has at least one operating budget and capital budget.

	General Fund
	Electric Utility
	Sewer Utility
	Storm Water Utility
	Water Utility

A STEADY APPROACH TO TAXATION

As part of updating the Financial Plan, the City considers what funds are required to maintain or enhance these services. This may result in increases to property taxes or utility rates. The City plans for stable, ongoing tax rate increases to fund inflation, ensure sustainable services, and plan for current and future community needs. This approach provides citizens and businesses the ability to anticipate future expenditures.

2022 BUDGET PROCESS

The City follows a multi-step process to develop the Business and Financial Plans. It combines community feedback with Council priorities and department needs to prepare the next 5-year Business and Financial Plans.

Process and Timeline

Here are some of the key steps and dates in the budget cycle.

INPUT May to September

Departments developed business plans and operating budgets and identified capital needs during the summer. Council introduced Notices of Motion reflecting the interests of the community at the Sept. 7 and 21 Council Meetings.

DRAFT October

Council debated and voted on the Notices of Motion at the Oct. 5 Council Meeting. Senior leaders reviewed all inputs to develop a draft of the overall 2022 Corporate Business Plan and 2022-2026 Financial Plan.

REVIEW Early November

The draft plans were released to the public on Nov. 8. The community is invited to review and share their feedback from Nov. 8 to 19.

DELIBERATE Late November

Council deliberates the budget in a multi-day meeting that is open to the public on Nov. 22 and 23.

FINAL December to January

The 2022-2026 Financial Plan is finalized. Council gives readings to the 2022-2026 Financial Plan Bylaw.

NOTICES May to June

Based on the 2022-2026 Financial Plan Bylaw, the tax rate bylaw is set and notices are issued to property owners.

More information on the upcoming budget will be shared through shapeyourcitypenticton.ca as it becomes available.

2022 BUDGET-AT-A-GLANCE

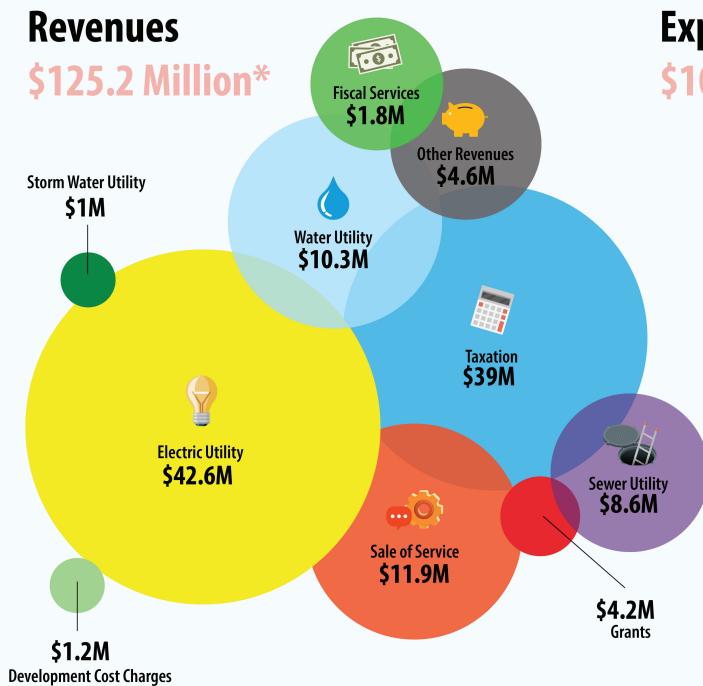

The following charts provide a summary of the key parts of this year's budget.

The difference between Revenues and Expenses goes into reserves and funds capital.

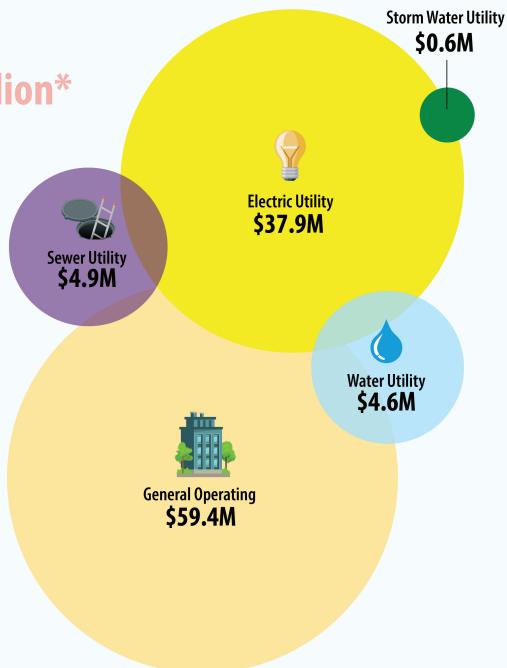

Revenues

\$125.2 Million*

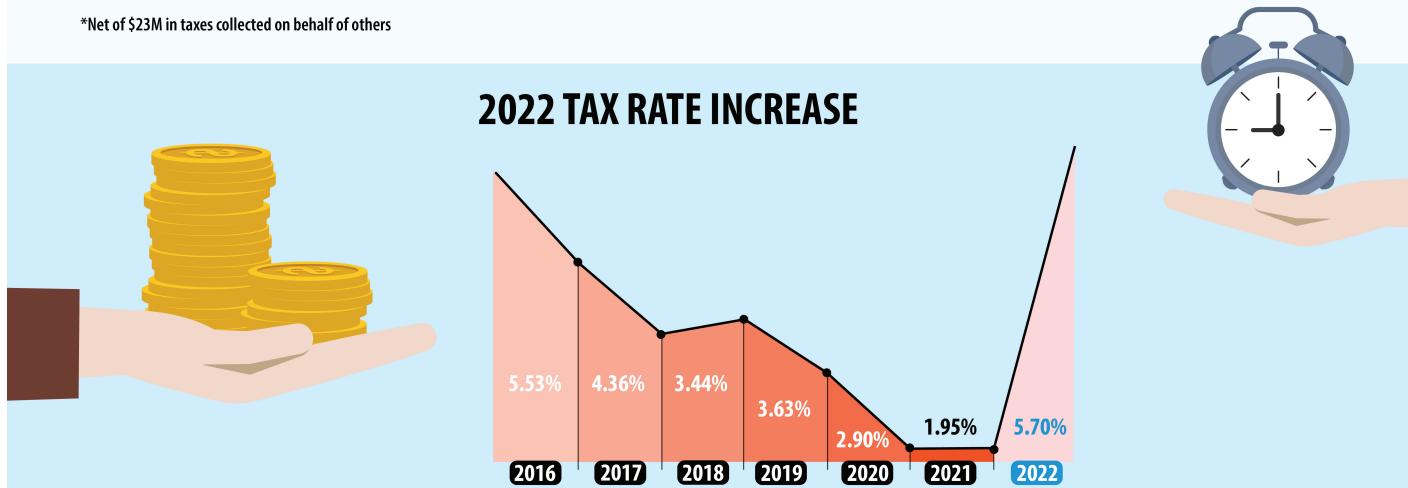

Expenses

\$107.4 Million*

*Net of \$23M in taxes collected on behalf of others

2022 TAX RATE INCREASE

2022 BUDGET GOALS

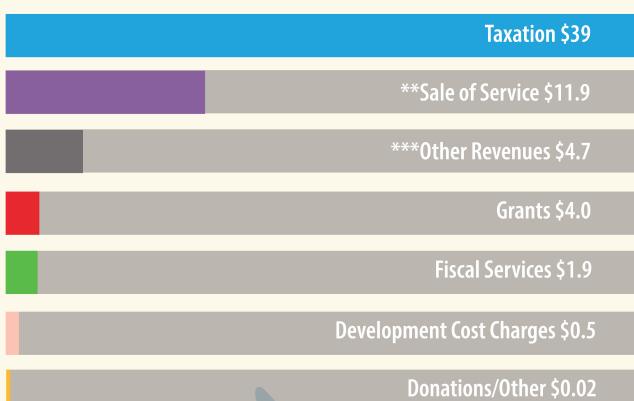

In addition to maintaining services levels, this year's 2022-2026 Financial Plan prioritizes community safety and supports the following goals.

A CLOSER LOOK 2022 GENERAL OPERATING

The General Operations includes revenue and expenses for all services, assets and amenities that are not associated with the utilities. The main source of funding for the General Fund is property taxes.

General Revenues \$62 Million*

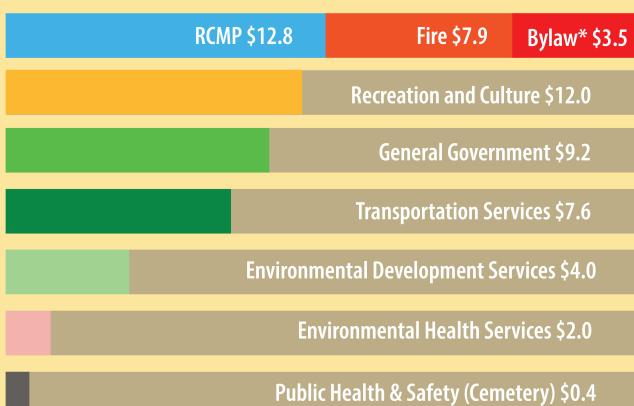

* Net of \$23M in taxes collected on behalf of others
** Sale of Service includes items in fees and charges
*** Other Revenues includes fines and charges

HIGHLIGHTS

- Recreation and other revenues continue to be decreased but remain stable.
- Losses due to COVID-19 offset by building activity and grants.
- Tax increase required to cover inflation and community safety priorities.

General Expenses \$59.4 Million*

*and Building and Licensing

HIGHLIGHTS

- Expenses increased by \$7M over 2021 driven by inflation and community safety priorities including RCMP, Fire and Bylaw

A CLOSER LOOK 2022 UTILITIES

The City operates four utilities including Water, Sewer, Electricity and Storm Water. The first three utilities are funded independently through your monthly utility bills. The stormwater utility is billed on the annual property tax notice.

Electric

Revenue \$42.6M
Expenses \$37.9M
Capital \$6.9M
Reserves (\$2.2M)

HIGHLIGHTS

- City power purchase from FortisBC accounts for majority of expense.
- FortisBC proposing 3.46% increase in rates in 2022 (decision pending).
- Despite FortisBC increase, City is proposing minimal change due to healthy reserve balance.
- Significant capital projects will draw on reserves i.e. Utility Scale Battery.
- Proposed increase of 2% for electrical rates

Water

Revenue \$10.4M
Expenses \$4.9M
Capital \$4.4M
Reserves \$1.1M

HIGHLIGHTS

- Replace the main Pressure Reducing Valve to improve efficiency and reliability for 70% of customers.
- Twin Ridgedale Reservoir to increase capacity and fire flow. Project funded mainly through grants and Development Cost Charges.
- Proposed increase of 0.6% for water rates

Sewer

Revenue \$9.2M
Expenses \$5.4M
Capital \$2.7M
Reserves \$1.1M

HIGHLIGHTS

- Minimal sewer rate increase proposed to address operational needs as well as capital upgrades
- AWWTP Upgrades
- Proposed increase of 2% for sewer rates

Storm Water

Revenue \$1M
Expenses \$0.6M
Capital \$0.5M
Reserves (\$0.1M)

HIGHLIGHTS

- Planned increases to storm water rates to support self-funding
- Ongoing investments to Penticton Creek offset by significant grants
- Proposed increase of 25.3% for storm water rates

Sustaining our Utilities

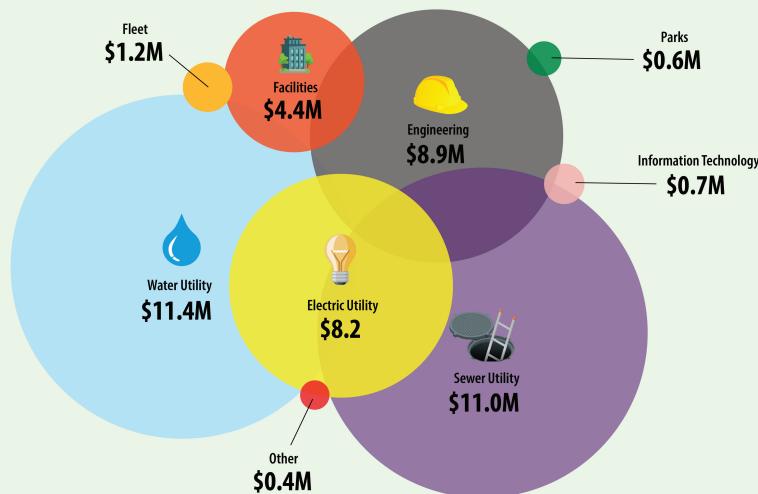

The City reviews its utility rates annually and conducts a complete review every four years to determine what rates need to be in order to properly fund the operation, sustain infrastructure and construct new projects while balancing the impact to customers. The last review was completed in 2019 and a new review is planned for 2023.

A CLOSER LOOK 2022 CAPITAL PROJECTS

Capital spending refers to the funds we spend to acquire, build, maintain or replace City assets and amenities such as land, buildings and equipment. Every year, the City puts money into reserves to fund future capital projects along with grants.

\$46.8 Million

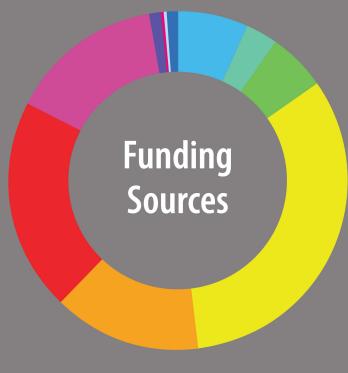

Funding our Capital Projects

Funding for our capital projects comes from multiple sources. The following chart shows the source of funding.

CAPITAL BUDGET

- Electrical Dividend \$3.1
- Equipment Replacement Reserve \$1.4
- Community Works Reserve \$2.7
- Utility Rates \$15.2
- DCC Reserve \$6.7
- External Debt \$9.6
- Internal Debt \$6.8
- Grant Funding \$0.6
- Marina Reserve \$0.1
- RCMP Reserve \$0.1
- Storm Reserve \$0.5

Key Projects

Water Highlights

Pressure Reducing Valve Replacement \$2.9M
Ridgedale Reservoir \$4.2M

Electrical Highlights

Utility Scale Battery \$1.7M
Point Intersection \$1.2M

Sewer Highlights

North Penticton Interceptor \$2.9M
AWWTP expansion & upgrades \$5.8M
(Clarifier, Cake Bin, Pump)

Engineering Highlights

Lake-to-Lake Bike Route \$4.7M
Point Intersection \$2.8M

Facilities Highlights

Cleland Audiovisual \$810k
Fire Hall #2 - Two Bay Garage \$500k
RCMP Heating System \$400k

Fleet Highlights

Dump Truck \$150k
Backhoe \$180k
Ice Resurfacer \$185k

Parks Highlights

Skaha Park Splash Park \$353k

HIGHLIGHTS

- Debt will be required to help fund projects for the next five years.
- Water, Electric, and Sewer are funded from user fees.
- Fleet is funded from the equipment replacement reserve.
- Roads & Creeks, Facilities, and other capital in the General Fund are predominantly funded by the electrical dividend, gas tax and transfers from reserves.

2022 BUDGET AND YOU

The Financial Plan includes a tax rate of 5.7%. The following chart shows the **Estimated Annual Increase** for property taxes as well as any proposed rate changes for each of the utilities. The estimates are based on the average residential or commercial property.

ESTIMATED TOTAL ANNUAL INCREASE

\$103

Residents

Businesses

Resident Taxes

Residential Tax Competitiveness 2021

Total Residential Taxes & Charges Comparison

Penticton continues to have one of the lowest total residential taxes and charges (comparable utilities) in the region.

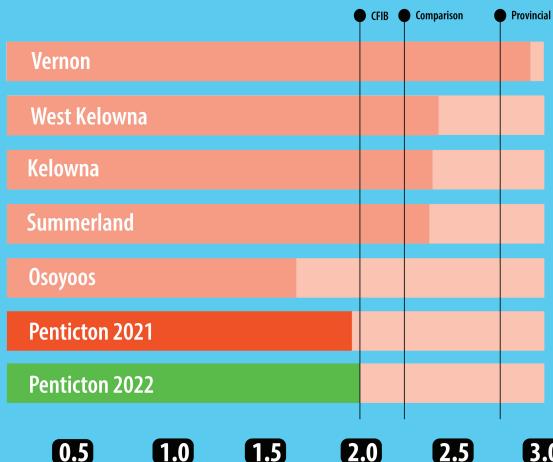

Median income from 2016 Census

Taxes & Charges from Provincial Local Government Statistics

Business Taxes

Business Tax Multiplier Comparisons 2021

The business taxpayer pays more than the residential taxpayer recognizing their greater use of City assets and infrastructure.

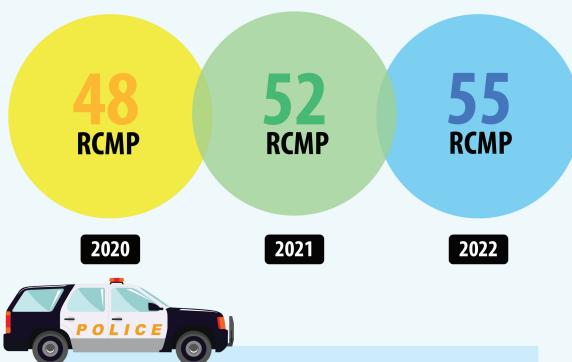

2022 ACTION ON COMMUNITY SAFETY

Council identified taking action on safety in the community as their top priority for the 2022 Budget. A tax increase of 4.4% is proposed to provide the \$1.6M in funding to implement the following key initiatives in the upcoming year to address concerns about safety.

Increase Policing

HIGHLIGHTS

- Presently, 52 RCMP members authorized
- Adding three RCMP officers and two municipal staff in 2022
- Conducting Community Safety Review

Expand Bylaw

HIGHLIGHTS

- Expand Bylaw Enforcement coverage to between the hours of 7 am and 11 pm daily
- Adding five bylaw officers and one intake administrator, plus converting two community safety officers to full time to support expanded service

Enhance Fire

HIGHLIGHTS

- Construct new two-bay garage at Fire Hall #2 to accommodate larger trucks and replace aging facility
- Add firefighter as previously committed
- Explore replacing Fire Hall #1 with combined community safety facility
- Add Training Officer

Community Safety Plan

HIGHLIGHTS

- Review operations of Police, Fire and Bylaw services
- Overarching plan to guide actions and decisions on Community Safety
- Explore options to monitor repeat offenders

2022 SPECIAL TOPICS

The following charts provide a summary of the key factors influencing this year's budget.

Planning to borrow

The City owns over \$1.25 billion in assets and historically spends \$16 to \$18 million annually to maintain, renew and replace this asset base. Given significant capital projects slated to occur over the next two years, the annual spend will be \$74 million.

The City has identified a potential \$219 million in major projects, of which \$152 million is projected to be funded over the next five years. These projects will be funded partially through grants, Development Cost Charges, internal borrowing and the remainder of an estimated \$27 million funded by debt financing. Debt financing is used strategically to maintain the City's financial strength and stability.

Projects to be funded with debt

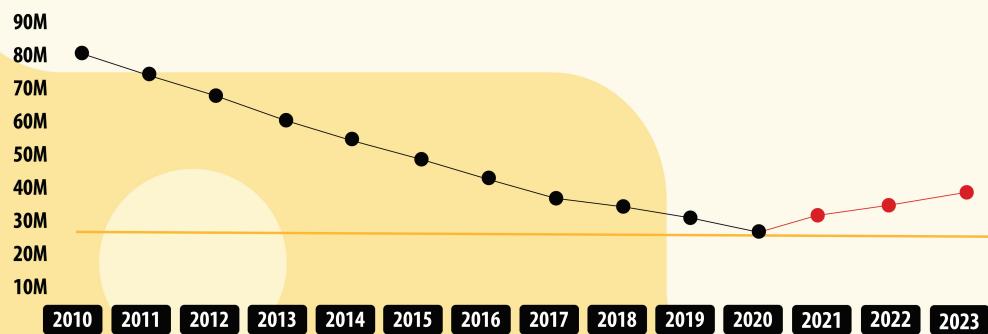

2022

\$3.3M - AWWTP Expansion and Upgrades (Sewer)
\$3.4M - Ridgedale Reservoir Upgrade (Water)
\$2.9M - Penticton PRV Upgrade (Water)

2023

\$8.3M Ellis 4 Dam (Water)

Total Debt Outstanding

More about staffing

The City has a diverse workforce with unique challenges. While we work hard to maintain our existing staffing levels, increasing workload, impending retirements and greater legislative and regulatory requirements have required increases in a number of departments. The full-time equivalent* staffing levels and increases from 2021 to 2022 are reflected in the chart.

Opening FTE as of December 31, 2021	306
2022 Proposed New Additions	12
Total number of FTE per 2022 Business Plan	318

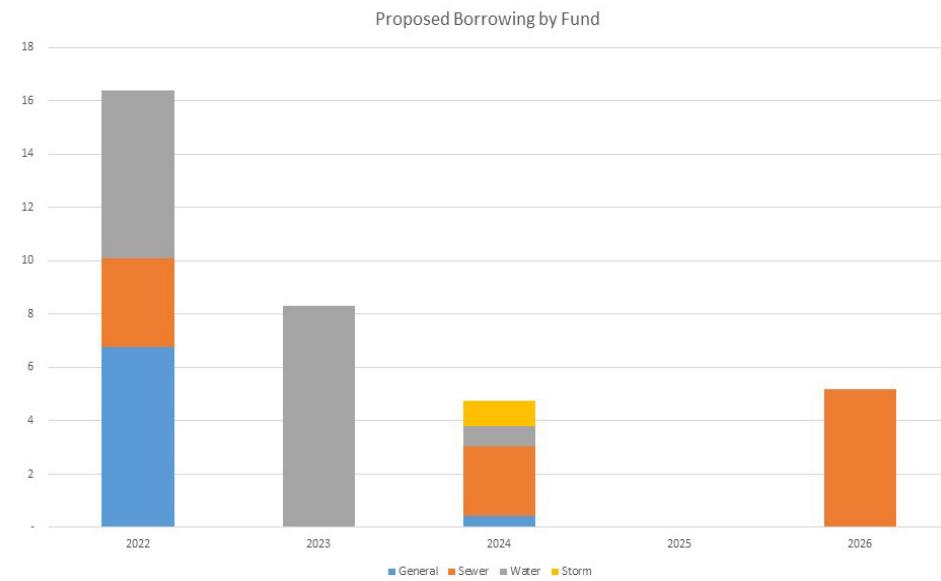

*Note: Full-time equivalent (FTE) is the Industry Standard to reflect staffing levels for local government. One FTE equivalent to one staff working full-time.

2022 CAPITAL BORROWING

The City, like many cities, is challenged to fund the increasing costs to maintain, replace and extend the life of its aging infrastructure. Asset management plays a vital role in ensuring that the City is fully optimizing its assets and amenities with minimized financial impact on residents. Capital projects are funded through multiple sources including debt financing, Development Cost Charges (DCCs), grants, third party contributions, taxation, utility user rates, and reserves.

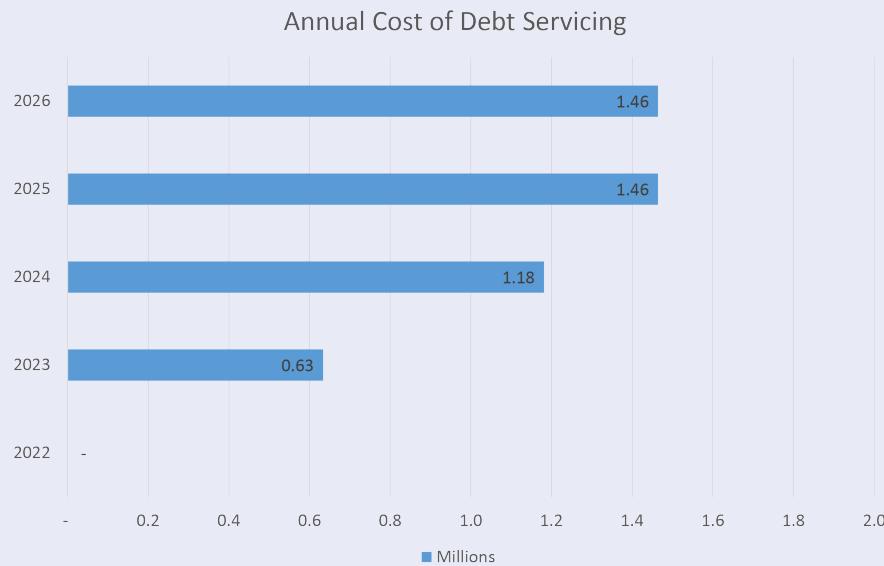

The City owns over \$1.25 billion in assets and historically has spent between \$16-18 million annually to maintain, renew and replace this asset base. Given significant capital projects slated to occur over the next five years, the annual spend from 2022-2026 is in the range of \$19-47M.

The City has identified a potential \$219M in major projects, of which \$152M is projected to be funded over the next 5 years. These projects will be funded partially through grants, DCCs, internal borrowing and the remainder of an estimated \$27M funded by debt financing. Debt financing is used strategically to maintain the City's financial strength and stability. Debt financing will only be undertaken in compliance with the relevant sections of the Community Charter and related regulations. Proposed borrowing, both internal and external, over the next five years is included in the table.

Under the Community Charter legislation, the provincial regulations establish a limit based on the cost of servicing the aggregate liabilities of the municipality. The cost of servicing the liabilities cannot exceed 25-percent of the total revenues for the previous year (some exclusions apply). The City's 2020 debt financing ratio was 12.88%, with the additional borrowing, the debt financing ratio will fluctuate over the next five years from 11.96% to 13.44%. The City is in a healthy position to take on additional debt to finance its capital needs.

Utility debenture payments are recovered through the utility user rates and the general capital debenture payments will be funded through reserves. Based on the anticipated \$27M in external borrowing, the annual cost of debt financing would be:

The City is committed to long term asset management in which debt financing will assist in a predictable and adequate funding stream to sustain City asset and amenities.

City of Penticton

Draft Financial Plan 2022 - 2026

City of Penticton - Schedule A

	2022 Budget	2023 Projection	2024 Projection	2025 Projection	2026 Projection

% of Property Tax	2.57 %	1.57 %	2.38 %	2.11 %	2.24 %	2.01 %	1.96 %	1.88 %	1.69 %

Change 2021 forecast to 2022 budget:

\$ Change	\$ 109,300
% Change	<u>14.50 %</u>

Changes in net operating budget from 2021 forecast to 2022 budget are primarily due to:

\$20k Misc building demolitions

\$25k Library/Museum upgrades

\$70k Community Centre and McLaren increased salary expenses for full operations in 2022

\$96k For overlap of positions for retirement

\$37k Increase in utilities

(\$75k) Increase for allocations in/out

(\$46k) Decrease for misc. city owned Storm Water charges moved to Storm Water

% of Property Tax	1.01 %	1.33 %	2.80 %	2.84 %	0.23 %	(0.43)%	(1.20)%	(1.09)%	2.22 %
Change 2021 forecast to 2022 budget:									
\$ Change		\$ (926,537)							
% Change		<u>(91.38)%</u>							

Changes in net operating budget from 2021 forecast to 2022 budget are primarily due to:

(\$800k) Increased gaming revenue for reopening after pandemic closure

General Government - Operating Budget

Change 2021 forecast to 2022 budget:

\$ Change	<u>\$ (1,130,967)</u>
% Change	<u>2.58 %</u>

Changes in net operating budget from 2021 forecast to 2022 budget are primarily due to:

(\$2.1M) Increased revenue for 5.7% property tax increase

(\$600k) Non-Market Change estimate for 2022

\$1.5M Decreased Gas Tax revenue for additional 2021 funding

\$1.2M Draw from General Surplus reserve to balance the 2022 budget

Electric - Operating Budget

Change 2021 forecast to 2022 budget:

\$ Change	<u>\$ 2,789,976</u>
% Change	<u>37.54 %</u>

Changes in net operating budget from 2021 forecast to 2022 budget are primarily due to:

\$2.4M Increase in electrical purchase costs

\$176k Increase in allocations in

\$80k Increase in training for return to in person training and conferences

\$30k Increase to conduct Distribution System Resiliency Study

Change 2021 forecast to 2022 budget:

\$ Change	<u>\$ 376,258</u>
% Change	<u>(9.11)%</u>

Changes in net operating budget from 2021 forecast to 2022 budget are primarily due to:

(\$156k) Increase in sewer user fees for 2% rate increase

\$79k Increase for AWWTP - Liquids - Parts & Equipment

\$77k Increase for AWWTP - Liquids

Sewer Collection - Operating Budget
