BATTERIES • SCRAP METAL PAINT CANS &
SPRAY PAINT • BOOKS • WOOD APPLIANCES
CLOTHING, TEXTILES & SHOES (DONATE IF
REUSABLE) • LIGHT BULBS

NO!

Do **NOT** add hazardous items to your Recycling Cart.

Keep everyone safe by ensuring you do not add hazardous items, such as the examples below, to your cart. To find out how to properly dispose of your item, please use our **Recycling Wizard** tool at penticton.ca/recycling.

- Batteries
- Containers for paint, motor oil, vehicle lubricants or antifreeze
- Bleach or aerosol containers with contents remaining
- Pesticides with the words DANGER, WARNING or POISON
- Compressed gas cylinders
- Sharps/needles

DEPOT ONLY!

Flexible Plastics

The following flexible plastic items may be dropped off at a depot for recycling. They **cannot** be placed in your residential recycling carts.

- Crinkly (e.g. candy wrappers)
- Doesn't stretch (e.g. cereal bags)
- Foil lining (e.g. chip bags)
- Sealed for freshness (e.g. stand-up pouches)
- Zipper lock bags
- Woven net bags

TIP!

Soft plastics no longer have to be sorted before going to the depot.

- Not crinkly (e.g. overwrap on pop can flats)
- Can poke your thumb through it (e.g. overwrap on toilet paper)
- Single material (e.g. bulk or produce bags)
- For carrying / keeping clean (e.g. plastic shopping bags)
